Next Spaghetti Dinner and Music Jam by donation at the Webster's Crossing United Methodist Church are on Thursday, April 26, 4:30 -7 PM for dinner and music into the night. Do come and enjoy the ambiance. Do come and eat with us every month all year (fourth Thursday except in November and December when it is in the third week). The Church has been doing this dinner every month for the last 13 years. This is a convenient day for those who come to take off from cooking and washing dishes. "Leave these two things to us" so as to have an easy dinner in the middle of the week.

Pat Granger from the Springwater United Methodist Church writes: "On April 18th the women of the church made and served lunch to a group of WCCS retired teachers. The menu consisted of Waldorf salad, chicken n' biscuits, real mashed potatoes, seasoned green beans, and rainbow sherbet for dessert. It was enjoyed by all. In our Bible Study of "The Story" we are on Chapter 7. The chapter covered the time period 1406 BC after Moses dies and Joshua was appointed the leader, the Israelites wandering the hills, to 1375 BC when Joshua dies. We discussed the battles they were faced with taking over the land that the Lord had promised them. Next week the time line goes from 1375 BC to 1055 BC. If you are interested in joining us, our service on Sunday starts at 11 AM with coffee hour afterwards."

Attendance at Earth Dance 2018 held on Saturday, April 21 from 11 AM to 5 PM at the Little Lakes Community Center, now the official name for the Hemlock School or Jack Evans Community Center on Route 15A, was successful in many ways. The activities of the day were all focused upon sustainability. There were vendors, food, and music, an opportunity to present a poem or other writing over the open mike, children's activities, and presenters each hour. Something for everyone to enjoy was provided. Many thanks go to everyone that participated in any way, with special appreciation to all the volunteers that helped throughout the day with unloading, loading, AV equipment, presentations, food (the baked potatoes were outstanding!), music, and sales. "The next Steering Committee meeting is open to the general public on Monday, May 7, 2018 6:30-8:30PM in the Jane Barnard Room. We lighten the business aspect of the meeting, open the floor to those not on the Board to share questions, thoughts, ideas, opportunities and more. Come and be one of those who shape this (Hemlock, Canadice, Springwater) Community grassroots operated endeavor," writes Carol Williams, Little Lakes Community Association Communication Chairperson 585-367-1046 (LLCA)/585-727-2230.
