

SPRINGWATER PARTY LINE

25 April 2019

by Katherine J. T. Humphrey

The Webster's Crossing United Methodist Church is the place to be this Thursday, April 25th for the Spaghetti Dinner and Music Jam by donation. There is not another dinner as delicious and economical anywhere around. This tradition has been a community gathering place for going on 15 years every month on the fourth Thursday (or third in November and December) from 4:30 to 7 PM for the dinner and music into the night, thanks to the many volunteers that make it possible.

Although the Springwater Trails hikers took a week off for Easter, the plans for this week's Sunday trek have been made for awhile, but due to the popularity of the Earth Day "Operation Community Cleanup", all equipment for highway cleanups are in use this weekend. Therefore, a last minute change has been made to do the cleanup at the Wheaton Hill Trails in Springwater. Rather than a highway cleanup, this will be a trail and forest cleanup starting at 2 PM on Sunday, April 28. The State forest trails starting area is a short way up Wheaton Hill from Route 15A north out of Springwater. Come prepared for the weather and with a pair of gloves. Following the cleanup, join Springwater Trails for hotdogs and salads at the trail-head. Please bring your own water or other beverage. For detailed information go to the Springwater Trails website or ask a regular hiker.

Spring is here, and it is time to get outside. The Finger Lakes Land Trust is sponsoring a volunteer opportunity at Wesley Hill. This is an opportunity for Springwater Trails to say thank you to one of our popular hike locations. Wesley Hill is one of FLLT's most iconic nature preserves, and on Monday, May 20th, it will be turning 20 years old! Wesley Hill is full of beautiful vistas, gorges, and old growth trees. This information is from Jason Gorman, Nature Preserve Manager, Finger Lakes Land Trust 607-275-9487.

The Bible Study at Webster's Crossing United Methodist Church on Wednesday evening before Easter left all that attended with the best message of all – to learn more verses from the Bible by heart so as to be ready to use them when needed to stay on the straight and narrow way.

The Mobile Food Link truck was at the Springwater Fire Department parking lot with a delivery on Saturday, April 20th. Teresa Langhorn has announced that a monthly delivery will continue and that those dates will be forthcoming.

Tuesday, April 23, 2019 the Springwater / Webster Crossing Historical Society Meeting featured Jane Oakes, historian, who gave an interesting history of cheese making in Livingston County. The next program sponsored by the Society will be on Tuesday, May 14 when Miller's Fishing Lures history will be highlighted.

Anyone who is familiar with these lures and their history is invited to attend the 6:30 dish –to-pass dinner and participate in the 7:15 PM program. Also watch for the details on the happenings at the Museum on Main Street when we have the Mother’s Day Sale on Saturday, May 11, Memorial Day May 27, Springwater Community Day on August 11 and Summer Museum hours from 2 to 4 PM on the first and third Sundays of June, July, and August. Come see the new exhibits and enjoy an afternoon of reminiscing.

The Office for the Aging is sponsoring the program called “Living Healthy”, a free six-week workshop for anyone with or caring for someone with chronic health conditions such as: ADHD, Anxiety, Arthritis, Asthma, COPD, Cancer, Chronic Pain, Dementia, Diabetes, Hypertension, Stroke, and more. Classes are held weekly for 6 weeks, starting Thursday, May 9, between 1 and 3:30 PM at Lima Community Manor. To register, contact 585-335-4385 at Noyes Health or e-mail livinghealthy@noyeshealth.org.” This information is from Linda Hopkins, Springwater representative to the Office for the Aging out of Mount Morris as is the announcement for the Seniorama on Saturday, May 11, 2019, 1:30 to 3:30 PM at York Central School. All are invited to celebrate the lifetime achievements, community service and good citizenship of special individuals that have helped to make Livingston County a community for all ages. This year Springwater recognizes the services of Harvey Teed from Webster’s Crossing.
