David Johnson is having a 70th birthday on September 18th. The Johnson family has lived in Webster's Crossing for many years. David was born in Dansville Hospital in 1949. Carl and Marjorie Johnson were his parents and lived there. David's siblings are Norbert Johnson (deceased) and Robert Johnson (deceased) and Sandra Johnson West. David is a Wayland Central School graduate who served 2 years in the Army during the Vietnam War. After working a year at Gunlocke's, David obtained work for 28 years at Lightnin in Avon and STX in Rochester. David married Melba Hamilton in 1974. David is an avid gardener and their home is one of the most beautifully landscaped in Webster Crossing. Their children are Richard and Amanda. Richard Johnson married Kim Haytko and they have two girls, Katie and Emily. Katie will be graduating from college with a lawyer degree and Emily will be graduating from high school. They all live in Florida. Amanda and Matthew Galway were married by Past Jeri Kober in the Webster's Crossing United Methodist Church. They live in Brighton and have a daughter named Hope.

Pastor Dorothy Hotchkiss of the Webster's Crossing United Methodist Church and the Groveland Federated Parish has announced that a community church picnic is planned for Sunday September 15 after church services. Joining them will be people from seven other United Methodist Churches in the area. All will congregate at the pavilion in Larry Canute Memorial Park shortly after noon for a dish-to-pass get together Sunday meal. Those coming will also bring games to play. Come join the fun.

Here is the downtown Springwater hamlet news from Pat Granger: "It is September already and I sit here and wonder where the time has gone. People have told me the older you get the quicker time goes by and were they ever right. Please continue to be aware of the students walking to school and the busses that are out on the road picking up students. Today we read Genesis 1:1-2:3. What God accomplished in those first six days is just amazing. In those six days he created the world. It is understandable as to why Sunday has been named the Sabbath, a day of rest. I just wonder in awe what God has created. Parish Notices: prayers for Tim Donovan for he is having surgery on Tuesday; travel mercies for Ron and Sharon Ingraham and for the Pastor's Aunt Lois and her friend Bobby; prayers for Poncho and his doctor that they come up with the right diagnosis for him and prayers for his brother Jerry that he accepts the Lord into his life; and prayers for the people who have been effected by hurricane Dorian and have lost everything and also the people in Texas. Everyone have a good week.

The Springwater Community Food Pantry is open on Wednesday evenings from 6:30 to 8:00 PM and on Saturday mornings from 9:00 to 11:00 AM. We could

use donations of sugar, flour, other baking products, peanut butter, jelly, and cereal. Donations can be dropped off during these hours and also at the Town Hall during the hours the Town Clerk is available. Thank you.

The next Food Link distribution will be on Saturday, September 21st. Please mark your calendars. If you would like to volunteer please call Teresa Langhorn at (585)245-1223 by Wednesday, September 18th. When attending the Food Link distributions please remember to bring your own containers.”

Have you heard about the Peace of Mind Planning Workshop being offered by the Livingston County Office for the Aging? Planning for the future of a loved one with Alzheimer’s disease or dementia is especially important. This workshop can help you develop a plan for organizing your legal / personal / financial papers and move toward greater peace of mind for you and for those who care about you. This workshop will be held Monday, September 30, 2019 from 2 to 3:30 PM in a location to be decided. Call 243-7520 for additional information and to register. This information was passed along to me by Linda Hopkins, our Springwater representative to the Office for the Aging in Mount Morris.

Ten Springwater Trail’s hikers enjoyed walking along the trails of the Taughannock Falls Park on Sunday, September 8 near Cayuga Lake. The placards along the trail describing historical and other facts about the area were helpful in making the easy hike with gorgeous views more interesting. Eight stayed for the social afterwards which was a picnic at one of the trails at the foot of the falls. Following the social, the group hiked up to the base of the falls for another superb view of the falling water down 215 feet. Though the travel time was a long one, the group decided the hike was worth the trip because of all the gorgeous scenery and well maintained trails. Sunday, September 15 the hike will be along another portion of the Finger Lakes Trail. It is the portion on Map 11 between access 2 and access 5. We will meet at the middle of the 3.8 mile section on Snell Hill Road (Access 3) between 1:45 and 2 PM. For details, see the website for Springwater Trails and click on Calendar for the hike description or ask a regular hiker.

This from Julie at St. Peters in Perkinsville: “There are a lot of people out there that could use a “pick me up card” this month. Putting a smile on someone else’s face will put a smile on your own!”
