The place to be this Thursday, August 27 between 4:30 and 7 PM is the Spaghetti Dinner Drive-through Take-out by donation at Webster Crossing United Methodist Church. Our regulars that come early will be surprised to find that Anna baked her carrot cake into muffins. Those who prefer white or chocolate muffins might want to ask for them. We are looking forward to seeing both those people who have come before and those who find us for the first time. The Spaghetti Dinner at Webster Crossing is regularly on the 4th Thursday (except in November and December when it is the third Thursday) of every month. Our goal is to provide nourishment to the community, in more ways than one.

On the 9th week at the Springwater Farmer's Market, be sure to stop by the Park on the corner of Main and Mill Streets at the blinking light in Springwater. Great customer service and delicious home grown food are reasons to support the local Springwater Farmer's Market every Friday afternoon from 3:00 to 6:00 PM.

Lagom Landing at 7966 Reed's Corner's Road in Sparta has published some Cliff Notes that more fully explain what life looks like for a young person between 18 and 23 that participates in the 9th year of the program. Take a tour, refer a young person to the program, or volunteer.

Annual Meeting and the Hike/Paddle at Hemlock Lake will be on Sunday, August 30th and everyone interested is invited. Details are on the Springwater Trails website. This past Sunday, August 23rd, eleven people enjoyed the trails at Harriet Hollister Spencer Park. John Larysz did send a photograph from the hike start and wrote: "There were 11 of us on the hike. It was an in-and-out hike to avoid carpooling. We walked 2.5 miles south from the upper clearing, almost to the area property line, and then back the same way. Had we continued south a little further we would have

entered the new state land acquisition; that would have meant a long road walk back so we chose to turn around instead. It was an easy and pleasant walk through old woods – just right for a hot afternoon in summer."

The Springwater Community Food Pantry remains open on Saturday mornings from 9 to 11 AM. If you have any questions, please call Teresa Langhorn at 585-245-1223."

Tawn Feeney from the Little Lake Community Association in Hemlock writes: The monthly community meeting is this Monday, August 31 6:30 to 8:00 PM. (This is in lieu of the usual first Monday of the month, which is Labor Day.) The meeting is dedicated to community input. All are welcome to join in, to learn about the organization, to ask questions and make suggestions. The meeting is held at Little Lakes Community Center, 4705 S. Main Street in Hemlock.

Students and teachers starting or returning to school or university need our best wishes for safe schooling, travel and wise decision making.
