Twelve people attended the Wheaton Hill hike sponsored by Springwater Trails hike on Sunday, September 5, that began at 3 PM instead of the usual time. The biking was cancelled due to the rainy weather forecast and black top and gravel placed on a section of the route. The weather was balmy and the trails muddy in the low areas. The group was blessed by good weather, the cathedral spruces on the Spruce Trail, many beautiful mushrooms, shag bark hickory nuts, and the sparkling water falls at the creek on the Pine Trail. Eight attended the social at the Webster's Crossing United Methodist Church, and having herd immunity enjoyed dishes to pass of Lemony Lentil Soup; crisp fresh picked, steamed chilled green beans with sliced green onions and shaved almonds in a white balsamic dressing; fresh colorful peppers, carrots, and cucumbers with a ranch dressing dip; sliced pin wheel wraps with cheese, ham, and pickles from Wegman's; and a dessert of caramel sauce baked apple slices on a pizza crust. Everyone brought their own water bottle. Next Sunday, September 12, the hike will be at Schribner Hill. To join the group, log into the Springwater Trails website for details or ask a regular hiker.
