Mary Yarger and her extended family are in need of our prayers, as she is currently suffering from a stroke and complications. Mary is a full member of the Webster's Crossing United Methodist Church since February 26, 1989. She and her husband Jim Yarger have served in many ways at the church and have been instrumental in helping others.

Enjoy a **Spaghetti Dinner by donation**, Thursday, December 16, between 4:30 and 7:00 PM at the Webster's Crossing United Methodist Church. Wear a mask to dine In or stop in for take-out! The dinner is a generous serving of Spaghetti, three Meat Balls, Spaghetti Sauce, Parmesan Cheese, Tossed salad & dressing, and a Cupcake for Dessert. Dine In people will have a choice of Water or Coffee. Being short of clean-up staff, take-out containers will be used both inside and for take-outs. The Music Jam is being held in the sanctuary where there is plenty of space to be socially distanced, but please wear a mask. Hope you have it on your calendar and can skip the food preparation and dishes.

Springwater Trail's hikes every Sunday are not only good exercise, but also an opportunity to visit with some interesting people. This past Sunday, December 11, 16 hikers enjoyed the Mendon Ponds hike. John Larysz sent the photo link: [A Hike in the Mendon Paonds Park in Mendon, NY \(larysz.com\)](http://www.larysz.com) which gives us an excellent picture of the beauty of the hike. The hike coming up on December 18th is at Harriet Hollister Spencer Park in nearby Canadice. Please join us to explore the land to linked to the main park by an established snowmobile trail called C4. In the past, we've hiked the section of the C4 trail closest to the main park, and this Sunday the Climbers will start from the main parking lot and hike out following Ruthies trail to C4 off Deremus trail going as far as the intersection of Canadice Hill Road and Tibbals Road, a.k.a Townline Road (that's the town line between Canadice and Springwater –

also the Ontario-Livingston County Line). Climbers can return to the main parking area by returning back on C4 or following the Canadice Hill Road back. Total distance for Climbers is about 4 miles round trip. Tourists and Naturalists will follow the same route until the C4 turnoff but stay in the main park for a total hike of 1.5 hours and about 2.5 miles. The social will be at the Birdhouse Brewing Company in Honeoye. For more details, log into the Springwater Trails website or ask a regular hiker.

Plan to attend Springwater Trails First Day Hike on Saturday, January 1, 2022 starting at 10 AM at the North End of Canadice Lake at the Parking area off Purcell Hill Road. Masks are required during the initial meet up; sensible choice and social distancing are recommended for the remainder of the hike. The approximate distance is up to 5 miles, the guided hike will be 3.6 miles. This is an easy, 1.8-mile each way hike along the shore of the lake; the trail is level and well-maintained and the lake views are lovely. For most hikers it will be a walk along the lake for an hour, and then back the same way; more enthusiastic hikers can veer off on Rob's Trail that leads over the ridge and down to Hemlock Lake - a moderate to hard trail with several steep uphill and downhill sections.
