

## SPRINGWATER PARTY LINE

13 October 2022

by Katherine J. T. Humphrey

The place to be this Saturday evening is the famous **Roast Beef Dinner** at **Webster's Crossing United Methodist Church** on **Saturday, October 15 from 4:30 to 7 PM**. The menu is Roast Beef, Gravy, real mashed Potatoes, Green Beans, whole kernel Corn, Roll, Butter, and Pie. The cost will be **\$13.00/dinner**. The next **Spaghetti Dinner** by donation is on **Thursday, October 27** starting at 4:30 PM. You are cordially invited to both dinners.

Another place to be the same day, **October 15, is the Perkinsville Saint Peter's United Church of Christ**, as they are having their **Bazaar**, an opportunity to select from one of a kind gifts starting at 10 AM.

This past week I had the opportunity to meet a relatively new person to Springwater. Her name is Stacey Mrva and she is "a professional sculptor specializing in custom and unique creations in the world of fire and steel", to quote her name card information. She and her husband purchased a home on South Main Street previously owned by the Nolans who had an antique store near the Indian Valley Campgrounds.

**Trust in the Lives of Older Women's group** will be meeting on **Wednesday, October 19, 2022** at the Wayland Free Library on Main Street starting at 1 PM. Last meeting on Wednesday, October 5, we were privileged to hear speaker Dan Lyon from the Upstate Elder Abuse Center at Lifespan concerning Frauds and Scams. He entertained us with music from the 50's – 70's as a gimmick to keep us on the subject of ways we can keep from 'getting hooked'.

Do stop by **the Springwater Farmer's Market** at the corner of 15A and Route 15 at the park at the blinking red light **every Friday starting at 3 PM and recently lengthened to 7 PM** into the fall. You will find delicious apples, grapes, squash, eggs, and other items. Support local vendors like Ben and Nancy and others to obtain seasonal products. Putting up stores for the winter is a great idea. Remember that all vegetables need to be canned in a Pressure Canner (unless pickled) using information from the Center for Home Food Preservation OR blanched, cooled, and packaged with as little air as possible, and frozen at zero degrees or below. **Cornell Cooperative Extension** in Livingston County or surrounding counties have trained home food preservation educators from which to learn canning, freezing, fermenting, and drying skills for safe, successful products.

The Springwater Trails hike held on Sunday, October 9 was in conjunction with the Open House and Apple Fest at the Rochester Folk Art Guild. Twelve people from the Springwater Trails group attended and enjoyed the beautiful fall day hiking on their farm. Coming up on **Sunday, October 16, circa 1:45 PM**, the Sunday hike will mostly cover the **Finger Lakes Trail on Hatch Hill in Naples**. The fall colors should be at their finest for this hike. The hike will start at the Bob North Bridge at the bottom of Ontario Street in Naples. There is a kiosk and a small parking lot there, and all groups will start at the same place. Following the hike, the social will take place at the Middletown Tavern, 183 S. Main Street in Naples.

Anyone with trees in their yard and forest will be interested to know about **the New York Forest Owners Association** and their wonderful programs. NYFOA (PO Box 541, Lima, NY 14485-0541) will host an hour-long **webinar** introducing the topic of **Estate Planning for the Landowner**. The Webinar will be on **Thursday, October 20, 2022** starting at 6 PM. You can join host Nick Jensen, a Certified Public Accountant, Certified Financial Planner® and NYFOA Board Member, for a 50-minute presentation followed by a brief Q&A period. For detailed information about the program and to register, please visit the NYFOA website.

The **Overeaters Anonymous group** that meets **weekly on Thursday evenings at 6:30 PM** in the Dansville Public Library would like to invite anyone with food issues to come and join them. There are no fees, no weigh-ins, no required food plans and definitely no guilt; just a group of people who have been overcoming food issues for decades. If you have any questions, please call 607-968-0381. Information supplied by Dan Finch, pastor at Wayland United Methodist Church. Lifespan of Greater Rochester

Enjoy a **Triyoga Class** taught by Carol Williams on Friday mornings from 9:30 to 11:30 AM. The classes take place on the 2nd floor, room #25, in the **Little lakes Community Center**, 4705 S. Main St. Hemlock, NY. Classes are donation based with the funds going to support the LLCC Community Center. For questions & registration, contact Carol by text 585-727-2230 or by email [growing3in1yoga@gmail.com](mailto:growing3in1yoga@gmail.com)

**FOODLINK** (free food) distribution is announced by Teresa Langhorn. The dates for the next distributions are the first Tuesday of each month for the rest of 2022. These are on **Tuesdays November 1 and December 6**. The start time is 3:30 PM at the Springwater Fire Department parking lot on South Main Street. There is also a continued need for donations to the Springwater Food Pantry. Contact person is Teresa Longhorn (585-245-1223).

The public's help is requested for slowing down the spread of **Spotted Lantern Fly** by reporting any sightings immediately to [agriculture.ny.gov/reportSLF](http://agriculture.ny.gov/reportSLF). In addition to reporting, residents across New York State are asked to take pictures of the insect, egg masses, or infestation you see and, if possible, include something for size, such as a coin or ruler. If possible, collect the insect. Place in a bag and freeze, or in a jar with rubbing alcohol or hand sanitizer. Note the location (street address and zip code, intersecting roads, landmarks, or GPS coordinates).
